Here is a brief and informal summary of the NCSC meeting in Mesquite on December 6<sup>th</sup>

Meeting started at 12:10 PM

Members present:

Jack Staley  
Robert Chisel  
Jim Johns  
Dennis Cobb  
Mark Foxen  
Tony Demeo  
Dale Lotspeich  
Louis Amell  
Jake Conely

Items:

Due to technical difficulties with the teleconference equipment, the committee was limited to the member present in Mesquite.

The meeting was not held in a formal setting, but as an open forum.

Jack Staley opened the meeting by thanking the sheriffs and chiefs for inviting us to attend and giving a summary of what the NCSC is and its purpose in the state.

Each member present introduced themselves and gave a brief history of their membership within the committee.

Robert Chisel showed a power point presentation about the history of NCSC. Talked about current radio systems within the state and talked about what the SCIP is and the current status of it. He then opened the floor for discussion

Dennis Cobb showed a power point presentation and talked about the TIC plan. He then opened the floor for discussion

Jim Johns closed the meeting by allowing each committee member to give closing comments and thank the group again for the invitation.

Meeting adjourned at 1:30 PM
